OPERATIONS

During the Financial Year ended March 31, 2026, your Company recorded a turnover of Rs.16581 lacs as compared to Rs. 15299 lacs during the previous Financial Year ended March 31, 2025. Out of this 16% of revenue was from Exports and rest from Domestic Sales. The revenue from operations was higher by Rs.1282 lacs and the operating gross profit was higher by Rs.99 lacs for the year ended March 31, 2026 as compared to the previous year ended March 31, 2025.

The profit after tax of your Company for the Financial Year ended March 31, 2026 stood at Rs.2723 lacs as against the profit after tax of Rs.2244 lacs for the Financial Year ended March 31, 2025 which was higher by Rs.479 lacs than the last year.

ANNUAL PERFORMANCE REPORT – SALES AND FINANCIAL OVERVIEW

During the financial year under review, the company's **total income from operations increased by approximately 8.38%** compared to the previous year. This up in revenue is reflected in the financial performance, with **Profit Before Tax (PBT)** increased by around **3.57%**, and **Profit After Tax (PAT)** showing a more significant increase of **21.34%**.

The sharper up in PAT is primarily due to a **higher sales** incurred during the year.

On the sales front:

- **Domestic Sales** grew modestly, registering a **11.32% increase in quantity** and a **10.26% increase in value** over the previous year.
- **Export Sales**, however, recorded a decrease, of **-0.47% in value** year-on-year.

The decline in export sales was primarily due to:

1. **Adverse geopolitical conditions** in certain key export markets, which disrupted trade and reduced order flows.
2. **Sluggish demand in the export market**

Going forward, we aim to stabilize export performance while continuing to consolidate our position in the domestic market through targeted initiatives.

GEOPOLITICAL SITUATION – (RISK MANAGEMENT)

During the financial year under review, the Company's operations, particularly in the export segment of the compatible toner business, were impacted by evolving geopolitical developments across certain key international markets. Global trade disruptions, regional conflicts, and volatility in logistics and supply chains led to moderation in demand and pricing pressures in export markets. In addition, fluctuations in foreign exchange rates and uncertainties in international trade policies contributed to a cautious business environment, thereby affecting export volumes and overall profitability.

In response, the Company has adopted a proactive risk management approach by diversifying its export markets, strengthening its domestic presence, optimizing supply chain arrangements, and focusing on cost efficiencies. The Company continues to closely monitor geopolitical developments and remains committed to enhancing resilience through strategic sourcing, product innovation, and market diversification. Going forward, while geopolitical uncertainties may continue to pose challenges in the short term, the Company is confident of sustaining growth through its strong domestic positioning and calibrated expansion in relatively stable international markets.

STRATEGIES AND OUTLOOK

Despite the current market dynamics, the Company remains focused on strengthening its market position and driving sustainable growth through the following key strategic initiatives:

- **Domestic Market Expansion:**

Continued focus on strengthening presence in the domestic market through targeted marketing initiatives and deeper distribution reach to enhance market share.

- **Export Strategy Optimization:**

Recalibrating export strategies to address geopolitical and demand-side challenges, while exploring new geographies to diversify export markets.

- **Customer Engagement:**

Enhancing customer relationships through improved service support, product reliability, and long-term engagement initiatives to drive repeat business.

- **Product Innovation and Differentiation:**

Ongoing efforts towards product development, including value-added and differentiated offerings, to remain competitive against imports and evolving market requirements.

- **Market Diversification:**

Exploring new applications and segments within the toner ecosystem to broaden the Company's business scope and reduce concentration risk.

- **Regulatory Support – Anti-Dumping Duty:**

The extension of anti-dumping duty on black toner in powder form for a further period of five years, as recommended by the Directorate General of Trade Remedies (DGTR) and notified by the Ministry of Finance, will provide continued protection against low-cost imports and support the domestic industry.

- **Cost Optimization and Efficiency Improvement:**

Sustained focus on cost rationalization, process improvements, and operational efficiencies to enhance competitiveness and maintain margins.

Overall, the Company remains cautiously optimistic about its growth prospects and is well-positioned to navigate industry challenges while capitalizing on emerging opportunities

UTILISATION OF SURPLUS FUNDS

Your company is regularly utilizing its' surplus funds for the benefit of the company and its' shareholders. In the recent years, your company has utilised its's surplus funds as under:

- 1) In the year 2021-22, the production capacity of your company was 3600 MT. Since 2022, your company has been installing a new line of production every year and the production capacity of your company was increased to 5400 MT in the year 2024-25.
- 2) In the year 2024-25, your company added land of 16760 sq. mtrs. At a cost of Rs.5.03 crores allocated to Unit 1 in Rampur.

On this newly purchased land, your company installed a solar plant of 1000 KWP at a cost of Rs.3.23 cores which was successfully completed and commissioned, an additional **320 KWP in FY 2025–26** before 31st March, 2026 aggregating to the total installed capacity is approximately **1.5 MWP**, including the existing **180 KWP** installation and now giving full production resulting in substantial saving of electricity expenses.

- 3) Your company came out with two buy back offers in the year 2021 and 2024 at an attractive price for the benefit of the shareholders of the company.
- 4) Your company is paying uninterrupted dividend of 30% every year since financial year 2017-18 which was increased to 35% in the financial year 2022-23, 45% in the financial year 2023-24, 2024-25 and further increased to 60% in the year 2025-26 thereafter.

All this has happened from internal generation and utilisation of cash reserves of the company without taking loan from any bank or financial institution.

The Management of your company is exploring opportunities to invest in some new projects and other activities as part of diversification plan.

DIVIDEND

The Board has declared an interim dividend of **Rs. 6.00 per equity share (60% of face value of Rs. 10)**, which is considered as the final dividend for the Financial Year 2025–26.

SHARE CAPITAL

The paid-up equity share capital of the Company as on **31 March 2026** stood at **Rs. 10,39,17,320**.

SUB-DIVISION OF EQUITY SHARES – (IMPACT & REQUIREMENT)

During the year, the Board of Directors approved, subject to the approval of Members, the sub-division of equity shares of the Company from face value of Rs. 10/- per share into Rs. 2/- per share, in accordance with the provisions of Section 61 of the Companies Act, 2013 and applicable provisions of SEBI (LODR) Regulations, 2015. The objective of the sub-division is to enhance liquidity in the Company's equity shares, broaden the shareholder base, and improve affordability of the shares for retail investors, thereby encouraging wider market participation.

The sub-division does not result in any change in the aggregate amount of the issued, subscribed, and paid-up share capital of the Company. It is expected to have a positive impact on trading volumes and market accessibility of the Company's shares without affecting the underlying fundamentals or financial position of the Company. The Board believes that this step will align the Company's capital structure with market dynamics and enhance long-term shareholder value.

PUBLIC DEPOSITS

During the year under review, the Company has not invited or accepted any deposits from the public in terms of Section 73 of the Companies Act, 2013 and the applicable rules made thereunder.

FUTURE OUTLOOK AND PLANS

The Company remains focused on sustainable growth and innovation within the toner industry. While toner usage in India continues to be relatively low compared to global markets, this presents a significant opportunity for expansion through increased market penetration and customer awareness.

The Company plans to expand its product portfolio with the introduction of **color toners**, enabling it to tap into emerging market demand and strengthen its position as a comprehensive solution provider in the printing segment.

Efforts are also being directed towards strengthening distribution channels and enhancing market reach through targeted marketing initiatives and strategic collaborations, with the objective of improving brand visibility and customer engagement.

The Company continues to prioritize product quality and performance through sustained investments in research and development, ensuring delivery of reliable and competitive products in line with evolving industry requirements

RESEARCH AND DEVELOPMENT ACTIVITIES

The Company continued its focus on research and development in the areas of product, process, and material improvement during the year. Sustained emphasis on R&D has enabled the development of quality products at competitive prices, supported by the Company's pilot plant facilities.

The in-house R&D unit continues to be recognized by the Department of Scientific and Industrial Research (DSIR), Ministry of Science & Technology, which further strengthens the Company's innovation capabilities.

During the year, the Company incurred R&D expenditure of **Rs. 65.94 lakhs** under revenue heads and **Rs. 7.25 lakhs** towards capital investments. The Company remains committed to ongoing R&D initiatives to support product innovation and future growth.

SUSTAINABILITY INITIATIVES

The Company remains committed to environmental sustainability and has taken significant steps to reduce its carbon footprint. During the year, solar capacity was expanded with the commissioning of **1000 KWP in FY 2024–25** and an additional **320 KW in FY 2025–26**, increasing the total installed capacity to approximately **1.5 MWP**, including the existing **180 KWP** installation.

The Company is also planning to install an additional **500 KWP solar capacity at its Sitarganj plant**, further enhancing its reliance on renewable energy and reducing conventional energy consumption.

In addition, the Company continues to comply with applicable **Extended Producer Responsibility (EPR)** requirements in line with Government regulations.

These initiatives reflect the Company's ongoing commitment to integrating sustainability into its operations and supporting long-term environmental objectives.

CODE OF CONDUCT

The Board of Directors has approved a Code of Conduct applicable to all Directors and employees of the Company. The Company follows a policy of **zero tolerance towards corruption and unethical practices**, and the Code establishes clear standards of integrity and ethical behaviour in all business dealings.

The Code is available on the Company's website (www.indiantoners.com) and covers conduct in the workplace, business practices, and interactions with stakeholders.

The Company has adopted a Code of Conduct in accordance with the **SEBI (Prohibition of Insider Trading) Regulations, 2015** to regulate trading in its securities by Directors and designated persons. The Code provides for pre-clearance of trades and prohibits dealing in the Company's shares while in possession of unpublished price sensitive information (UPSI) or during closure of the trading window.

In compliance with Regulations 3(5) and 3(6), the Company has implemented a **Structured Digital Database (SDD)** system to record and monitor sharing of UPSI. The system ensures controlled access, captures the nature, date and time of UPSI dissemination, maintains an audit trail, and preserves records in a non-tamperable manner for the prescribed period.

The Company has complied with the requirements of Regulations 8 and 9 relating to Code of Fair Disclosure and Code of Conduct. All Directors and designated employees have confirmed adherence to the Code.

Further, in terms of applicable regulatory provisions, the Company is not required to submit the SDD compliance certificate on a quarterly basis.

STATUTORY AUDITORS & AUDITORS' REPORT

M/s B.K. Shroff & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the 32nd Annual General Meeting for a term of five years, i.e., up to the conclusion of the 37th Annual General Meeting, in accordance with Section 139 of the Companies Act, 2013. They have confirmed that they are eligible and not disqualified to continue as Auditors of the Company.

The observations made in the Auditors' Report, read together with the Notes to the Financial Statements, are self-explanatory and do not call for any further comments.

SECRETARIAL AUDIT REPORT

Pursuant to the applicable provisions of the **SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**, as amended, the Company has appointed M/s Mukesh Agarwal & Co., Company Secretaries, as Secretarial Auditors for a term of five years commencing from the Financial Year 2025–26, subject to the approval of the Members.

The appointment has been made on the recommendation of the Audit Committee and approved by the Board of Directors at its meeting held on 31 January 2025.

The Secretarial Audit Report for the Financial Year 2025–26 forms part of this Annual Report as **Annexure "1"**.

INTERNAL AUDIT & INTERNAL AUDITORS

The Company has a well-structured internal audit function to ensure effective monitoring and control of its operations. Pursuant to Section 138 of the Companies Act, 2013 and other applicable provisions, the Board of Directors, on the recommendation of the Audit Committee, has appointed **M/s K. N. Gutgutia & Co., Chartered Accountants**, as the Internal Auditors of the Company for the Financial Year 2026–27.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

INDUSTRY AND OUTLOOK

The Company is engaged in the manufacturing of **compatible toners** for photocopiers, laser printers, and digital multi-function printers. The Company operates two manufacturing facilities located at Rampur (Uttar Pradesh) and Sitarganj (Uttarakhand), catering to both domestic and international markets.

The Company's long-term objective is to strengthen its established brand positioning by delivering high-quality products at competitive prices. The Company's quality policy is centered on achieving customer satisfaction through continuous product development, technological upgradation, and operational excellence.

The Research & Development (R&D) function continues to play a critical role in innovation, enabling the Company to introduce new products at competitive price points, thereby enhancing its ability to compete effectively in domestic as well as export markets.

INDUSTRY DEVELOPMENTS AND GEOPOLITICAL IMPACT

During the financial year under review, the compatible toner industry experienced headwinds arising from evolving **geopolitical developments**, particularly in key export markets. Global trade disruptions, regional conflicts, and instability in international supply chains resulted in moderation of demand and pricing pressures in export markets.

Additionally, volatility in freight costs, currency fluctuations, and uncertainties in trade policies impacted export competitiveness. These geopolitical factors led to a contraction in export volumes during the year.

Despite these challenges, the Company demonstrated resilience through stable domestic performance and continues to focus on diversifying export markets, strengthening supply chain efficiencies, and improving product competitiveness to mitigate such risks going forward.

KEY STRENGTHS

The Company continues to derive competitive advantage from a combination of strong brand positioning, technological capabilities, and operational excellence, which are detailed below:

- **Established Brand Presence:**

The Company's flagship brand "*ITDL Supremo*" enjoys strong recognition and credibility in the

compatible toner market, supported by consistent product quality and long-standing customer relationships. This has resulted in high customer recall and repeat business across domestic and international markets.

- **Robust Research & Development Capabilities:**

The Company has a well-established R&D framework supported by a team of skilled engineers and technical professionals. Continuous focus on innovation enables the development of new products, improvement in existing formulations, and cost optimization, thereby enhancing competitiveness in a dynamic market environment.

- **Distribution Network & Sales Framework**

Our market presence is a multi-tiered distribution strategy designed to ensure product availability across every corner of the country. The direct sales model with an expansive distributor network, we maintain a dominant position in both the retail and professional service segments.

Market Coverage & Reach

We have successfully cultivated a diverse ecosystem of partners. Our framework prioritizes high-volume users (Jobbers) and the critical service segment (Refillers), ensuring our toners are the "brand of choice" at the point of service.

- **Jobber Network (40,000+):** Our extensive reach into the Jobber segment—businesses operating high-volume photocopiers—provides us with a stable, recurring business.
- **Refiller Community (1,600+):** We maintain a strong foothold in the technical service segment, partnering with professional refillers who rely on our toner's compatibility and yield to maintain their service standards.
- **Wholesale Dealer Channel (600+):** Our wholesale dealers facilitate bulk movement of goods, and also help in ensuring our products availability across the country thru indirect channel distribution. Indirect distribution is estimated to be double of our Direct coverage.

Authorized Distributor Footprint

To ensure seamless "last-mile" delivery and inventory management, we operate through **161 Company Authorized Distributors**. This pan-India

footprint allows us to mitigate supply chain disruptions and maintain high service levels.

- **Customer-Centric Approach and After-Sales Support:**

The Company places significant emphasis on customer satisfaction through a dedicated customer support system. Prompt after-sales service, technical assistance, and product guidance based on scientific analysis enable the Company to build long-term relationships and enhance customer loyalty.

- **Experienced Management and Skilled Workforce:**

The Company is supported by an experienced management team with deep domain expertise and a qualified workforce. Their strategic direction, operational efficiency, and focus on quality contribute significantly to the Company's sustained performance.

- **Focus on Cost Optimization and Operational Efficiency:**

The Company continuously undertakes cost rationalization initiatives across procurement, production, and logistics. Efficient resource utilization, bulk procurement strategies, and process improvements enable the Company to maintain cost competitiveness without compromising on quality.

RISKS AND CONCERNS

The Company operates in the **compatible toner industry**, which is characterized by price sensitivity, technology-driven product requirements, and dependence on global supply chains for key raw materials.

Key risks specific to the industry include:

- **Pricing Pressure from Low-Cost Imports:**

The domestic market continues to face competition from low-priced imported toners, particularly from Asian markets. While anti-dumping measures provide partial protection, aggressive pricing by overseas players continues to exert pressure on margins.

- **Raw Material Dependency and Quality Sensitivity:**

The manufacturing of compatible toners requires specialized raw materials, a significant portion of which is imported. Any disruption in availability, inconsistency in quality, or increase in procurement cost directly impacts production efficiency and product performance.

- **Foreign Exchange Exposure:**

Given the import-intensive nature of key inputs, fluctuations in foreign exchange rates can affect input costs and overall profitability. The ability to pass on such cost variations is limited due to competitive market dynamics although we are naturally hedged.

- **Technological Obsolescence and Product Compatibility Risks:**

Rapid advancements in printing technologies require continuous adaptation in toner formulations. Failure to align products with evolving OEM specifications may impact market relevance and customer acceptance.

- **Supply Chain Disruptions due to Geopolitical Factors:**

The global supply chain for toner raw materials remains vulnerable to geopolitical developments, trade restrictions, and logistics constraints, which may lead to delays, cost escalations, and inventory challenges.

Although the Company maintains a degree of natural hedge through a balance between imports and exports, ongoing volatility in global markets and industry-specific challenges continue to require close monitoring and proactive risk management

RISK MITIGATION

The Company follows a structured and proactive approach to identifying, assessing, and mitigating the various risks inherent in the compatible toner business. Risk management is an integral part of the Company's strategic and operational decision-making framework.

The senior management remains actively involved in continuously monitoring key risk areas and implementing appropriate mitigation strategies to address evolving industry challenges.

To strengthen its competitive positioning, the Company continues to invest in technology and process improvements, ensuring alignment with changing market requirements and advancements in printing technologies.

A sustained focus on research and development has enabled the Company to develop innovative and cost-effective products, while also assisting customers in selecting suitable solutions through scientific evaluation and technical support.

On the procurement front, the Company adopts bulk sourcing strategies for key raw materials, leveraging economies of scale to secure competitive pricing and maintain cost efficiency.

Further, the Company maintains long-standing and stable relationships with established suppliers, which ensures reliability in supply, consistency in quality, and resilience against potential disruptions in the supply chain.

OPPORTUNITIES & THREATS

The export segment continues to offer significant growth potential for the Company in terms of improving capacity utilisation and enhancing profitability. The Company has undertaken focused initiatives to expand its presence across multiple international markets and diversify its export base.

On the domestic front, the Company is well-positioned to strengthen its market share, supported by its established brand presence and continued protection under anti-dumping duty on imported toners.

The recent expansion of production capacity to **5400 MT** provides a strong platform to support future growth in both domestic and export markets.

However, the risk of low-priced imports, particularly from Asian markets, continues to exert competitive pressure on pricing. While the imposition of anti-dumping duty on black toner in powder form offers partial protection against imports from countries such as China, Taiwan, and Malaysia, the competitive environment remains dynamic.

Overall, the Company remains optimistic about its growth prospects and expects to sustain its business momentum, supported by its operational strengths, market positioning, and strategic initiatives.

QUALITY

The Company continues to strengthen its quality framework through sustained investments in processes, people, training, and technology. Standardised systems, robust quality controls, and well-defined operational practices enable consistent product performance and reliability.

The adoption of structured quality models and process-driven approaches ensures that potential risks are identified and addressed at various stages of planning and execution, thereby enhancing operational efficiency and maintaining high product standards.

SEGMENT-WISE / PRODUCT-WISE PERFORMANCE

The Company operates in a **single business segment**, i.e., manufacturing of compatible toners. Accordingly, there are no separate reportable segments in terms of applicable accounting standards.

DISCUSSION ON FINANCIAL PERFORMANCE

The revenue from operations for the year were Rs. 16581 Lacs. The Company earned a profit before tax of Rs.

3470.41 Lacs. The nearly debt free status of the Company has ensured negligible finance cost.

For the Financial Year 2025-26, the Board had recommended an interim dividend of Rs. 6.00/- per equity share (60% of face value of Rs. 10), which is also the final dividend for the year.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established adequate internal control systems commensurate with its size and nature of operations. These controls ensure safeguarding of assets, proper authorization, and accurate recording and reporting of transactions.

The Company has an effective internal audit framework, supported by periodic management reviews, to ensure adherence to defined procedures, authority levels, and compliance with applicable laws, regulations, and guidelines.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

Industrial relations remained cordial and harmonious throughout the year. The Company continues to focus on maintaining a stable and productive work environment through employee engagement, training, and development initiatives.

The Company is in the process of aligning its HR policies and practices with the applicable provisions of the new labour codes, to the extent notified and made effective, ensuring compliance with statutory requirements and industry standards.

The total number of employees as on **31 March 2026** was **226**.

DISCLOSURE OF ACCOUNTING TREATMENT

The financial statements of the Company have been prepared in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013 and other generally accepted accounting principles in India.

The management confirms that appropriate estimates and judgments have been applied on a prudent and reasonable basis to ensure that the financial statements present a true and fair view of the Company's financial position, performance, and cash flows for the year.

TO THE MEMBERS OF INDIAN TONERS AND DEVELOPERS LIMITED**I. Report on the Audit of Financial Statements for the year ended 31st March, 2026****1. Opinion**

A. We have audited the financial statements of **INDIAN TONERS AND DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its Profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a

whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Significant portion of the company's business i.e. both export and import, is transacted in foreign currency and consequently the company is exposed to foreign exchange risk. Foreign currency exchange rate exposure due to its imports is substantially balanced by export of goods. We assessed the foreign exchange risk management policies adopted by the company. The company manages risk through formulating risk management objectives and policies which are reviewed by the senior management, Audit Committee and Board of Directors. Our audit approach was a combination of test of internal controls and substantive procedures to evaluate chances of minimizing the risk involved.

4. Information Other than the financial Statements and Auditor's Report thereon

- A. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Responsibilities of Management and Those Charged with Governance for the financial statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act

with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of company Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

- B. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the financial statements

- A. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain

professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vi) Materiality is the magnitude of misstatements in the financial statements that, individually or

in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

- C. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- D. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards
- E. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
- 2. (A) As required by Section 143(3) of the Act, Based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;
- d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements - Refer note no. 38 to the financial statements
- ii) The Company did not have long-term contracts including a derivative contract which was outstanding as at 31st March 2026.

- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- Directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
- (c) Based on such audit procedures as considered reasonable and appropriate in the nothing has come to our notice that has caused us to believe that the representations under sub- clause (iv) (a) and (iv) (b) contain any material mis-statement.
- v) (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.
- C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act,:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- D) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with & the audit trail has been preserved by the Company as per statutory requirements for record retention.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph II point 2 A (f) under “Report on Other Legal and Regulatory Requirements” section of our report to the members of INDIAN TONERS AND DEVELOPERS LIMITED of even date)

Report on the Internal Financial Controls With reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **INDIAN TONERS AND DEVELOPERS LIMITED** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and

deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A company’s internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as of March 31, 2026, based on the internal financial controls with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the Year ended 31st March, 2026**1 ACCOUNTING POLICIES****i) General Corporate Information:**

Indian Toners & Developers Limited is a Company domiciled and incorporated in India under the Indian Companies Act, 2013 and is in the business of manufacturing of Compatible Toners only. The Company's manufacturing units are located at Rampur & Sitarganj

ii) Basis of preparation of financial statements:

- a) The financial statements of the Company have been prepared in accordance with accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) notified under the provisions of section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and the companies (Accounting Standard) Amendment Rules-2016 and guidelines issued by the Securities Exchange Board of India (SEBI) and relevant amendments thereunder. The Financial statement have been prepared on the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value, the provision of Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Historical cost is the generally based on the fair value of the consideration given in exchange for goods & services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation.

Accounting policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or are vision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

b) Functional and Presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (upto two decimals), except as stated otherwise.

iii) Use of Estimates

The preparation of the Financial Statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgment and assumptions affect the application of accounting policies and reported amount of Assets and Liabilities and disclosure of Contingent Liabilities on the date of the Financial Statements and reported amounts of revenues and expenses for the year. Accounting estimate & undergoing assumption are reviewed on an ongoing basis. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of the changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to financial statements.

iv) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting period or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. Deferred Tax Assets & Liabilities are classified as Non Current.

Notes to the Financial Statements for the Year ended 31st March, 2026

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for the processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

v) **Property, Plant and Equipments**

a) **Initial recognition and measurement**

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Property, plant and equipment are considered cost or deemed cost less accumulated depreciation/amortization and accumulated impairment losses, if any except Land which is recognized at Fair value. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

Stores and Spares received alongwith the plant or equipment & those purchased subsequently for specific machines & having irregular use are being capitalised & impairment.

Expenditure related to & incurred during implementation of capital projects is included under "Capital work in Progress". The same is allocated in a systematic basis to the respective fixed assets on completion of construction of fixed assets.

The Company assesses at each balance sheet date whether there is any indication that a Property, plant and equipment may have been impaired. If any such indication exists, the Company estimates the recoverable amount of the Property, plant and equipment. If such recoverable amount of the Property, plant and equipment or the recoverable amount of the cash generating unit to which the Property, plant and equipment belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the Asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

b) **Subsequent costs**

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

Notes to the Financial Statements for the Year ended 31st March, 2026**c) Impairment**

Property, Plant and Equipments are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

d) Depreciation/amortization

Depreciation is recognized in statement of profit or loss on a straight-line basis over the estimated useful lives of each part of an item of Property, Plant and Equipment. Leasehold lands are amortized over the lease term unless it is reasonably certain that the Company will obtain ownership by the end of the lease term.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on Revalued Assets is calculated on their respective revalued amounts and is computed on the basis of remaining useful life as estimated by the valuer on straight line method.

The company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

• Leasehold Land	Lease Period
• Plant Buildings	30 years
• Plant & Equipment	20 years
• Furniture	10 years
• Office Equipment	5 years
• Computers	3 years
• Motor Vehicles	8 years
• Electric Installation	12 years
• RTU(Right to use)	5 years

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty to obtain ownership at the end of the lease term.

vi) Intangible Assets

Intangible Assets are recorded at the consideration paid for acquisition less accumulated amortization and accumulated impairment, if any. Amortization is recognized at Straight Line Basis over their estimated useful life's. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquire separately are carried at cost less accumulated impairment losses.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of profit and loss within other income/ expenses.

Depreciation

Intangible assets that are acquired by the company are measured initially at cost. After initial recognition, intangible assets are carried at its cost less any accumulated amortization and any accumulated impairment loss. Intangible assets are amortized on Straight Line Basis over a period of 3 years.

Notes to the Financial Statements for the Year ended 31st March, 2026**vii) Financial Instrument**

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

A Financial Assets**I Initial recognition and measurement**

All financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs are attributable to the acquisition or issue of the financial asset, otherwise charged to Statement of Profit & Loss.

II Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVTOCI).

b) Trade Receivables

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses wherever applicable. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

c) Debt instruments**i) Measured at amortized cost**

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the EIR method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the Statement of profit or loss.

ii) Measured at FVTOCI (Fair Value through OCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On

Notes to the Financial Statements for the Year ended 31st March, 2026

derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to profit and loss. Interest earned while holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii) Measured at FVTPL (Fair value through profit or loss)

Debt instruments does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

The Company elects to classify the debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

III Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

IV Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit & Loss other than financials assets in FVTPL category.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition.

B Financial liabilities**I Initial recognition and measurement**

All financial liabilities are recognized at fair value . Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

II Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

III Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

viii) Revenue Recognition

Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products are transferred to the buyer, recovery of the consideration is reasonably assured and the amount of revenue can be measured reliably. Revenues are shown net of discounts.

Notes to the Financial Statements for the Year ended 31st March, 2026

Insurance claims are recognised in the books only after certainty of its realization.

Dividend income is recognized when the right to receive the income is established. Income from interest on deposits is recognized on time proportionate basis.

ix) **Employee Benefits**

The company's contribution to provident fund and pension fund, are charged on accrual basis to Statement of Profit & Loss.

- a) Expenses and Liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19 - Employee Benefits issued by the ICAI.
- b) Short-term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.
- c) Post employment and other long term employee benefits are recognised as an expense in the Statement of Profit and Loss for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account.

Defined benefit costs which are recognized in the statement of profit and loss are categorized as follows:

- Service cost (including current service cost, past service cost. as well as gains and losses on curtailments and settlements); and
- Net interest expense or income; and

Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. Leave Encashment payable at the end of the employment is also a post employment defined benefit plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

The retirement benefit obligation recognized in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reduction in future contributions to the plans.

Notes to the Financial Statements for the Year ended 31st March, 2026

The liability for termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

x) **Valuation of Inventories - Inventories consists of Raw Material, Finished Goods, WIP, & Store & Spares**

Inventories are stated at lower of cost or net realisable value. The cost for the purpose of valuation is computed on the basis of weighted average price. The cost of work-in-progress and finished goods comprises of raw materials, direct labour, other direct costs, cost of conversion and appropriate portion of variable and fixed production overheads and such other costs incurred as to bring the inventory to its present location and condition. Net realisable value is the estimate of the selling price in the ordinary course of business, less the estimated costs of completion/reprocessing and the estimated cost necessary to make the sale. The Allowance is estimated and made for defective and obsolete items wherever necessary based on the past experience of the company.

xi) **Foreign Currency Transactions and Translations**

- a) Initial Recognition: Foreign currency transactions are recorded in the reporting currency i.e Indian Rupee by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on/or closely approximating to the date of the transaction.
- b) Conversion: Foreign currency monetary items, if any are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- c) Exchange Difference: Exchange differences arising on the settlement / re-translation of monetary items, if any or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.
- d) Foreign Exchange Forward Contracts: Monetary Assets and Liabilities, if any are restated at the rate prevailing at the period end or at the spot rate at the inception of forward contract where forward cover for specific asset/liability has been taken and in respect of such forward contracts the difference between the contract rate and the spot rate at the inception of the forward contract is recognized as income or expense in Statement of Profit and Loss over the life of the contract. All other outstanding forward contracts on the closing date are mark to market and resultant loss is recognized as expense in the Statement of Profit and Loss. Mark to market gains, if any, are ignored. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or as expense for the period.

xii) **Contingent Liabilities & Contingent assets**

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in respect of possible obligations that may arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

xiii) **Cash & Cash Equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of less than three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of cash in hand and balance with banks including margin money.

Notes to the Financial Statements for the Year ended 31st March, 2026

Others bank balance:-which include balances and deposit with banks that are restricted for withdrawal and usage.

xiv) **Borrowing Cost**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

xv) **Income Tax**

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current Tax

Current tax expenses is based on the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at the Balance Sheet date and takes into consideration various deductions and exemptions to which the Company is entitled to as well as the reliance placed by the Company on the legal advices received by it. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Current Tax and deferred tax are recognised in Profit and Loss , Except when they related to items that are recognised in OCI or directly in equity in which case, the current deferred tax also recognised i equity respectively.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the current year and reversal of timing differences for earlier years. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably/ virtually certain (as the case may be) to be realized. Deferred tax assets and deferred tax liabilities are offsets when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing tax laws.

xvi) **Leases**

- a) The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.
- b) The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the period of lease term.

Notes to the Financial Statements for the Year ended 31st March, 2026

- c) The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the incremental borrowing rate of the company.
- d) For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

xvii) Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

xviii) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

xix) Cash Flow Statement

Cash Flow are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the company are segregated.

xx) Key accounting estimates and judgements

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future Year.

B) Defined Benefit Plan

Gratuity

The Company operates a defined benefit gratuity plan for eligible employees in accordance with the applicable provisions of the Payment of Gratuity Act, 1972 and other applicable laws, as amended from time to time. Employees who render the prescribed period of continuous service become eligible for gratuity benefits payable upon retirement, resignation, termination, disablement, death, or any other event as specified under the applicable law and Company policy. Gratuity is generally computed at the rate prescribed under the applicable law, based on the last drawn eligible salary/wages and completed years of service. The Company may, at its discretion or pursuant to any approved policy, contract, settlement, or employment terms, provide gratuity benefits in excess of the statutory minimum limits. The gratuity plan is administered through a Group Gratuity Scheme / approved insurer arrangement, as applicable. The Company contributes premiums towards the Group Gratuity Policy based on demands from Group Gratuity Scheme/ insurer arrangement and policy requirements. Provision for gratuity liability in the books of account is recognised when the actuarially determined gratuity obligation exceeds the premium/fund value accrued under the Group Gratuity Policy.

Leave encashment

The company has a policy to pay leave encashment. Every employee is entitled to claim leave encashment after his/her retirement/termination which is calculated based upon no. of leaves taken. The company pays leave encashment on normal retirement for a maximum of 54 days or actual accumulation whichever is less upto 31.03.2026. W.e.f. 01.04.2026 the company pays leave encashment on normal retirement for a maximum of 30 days or actual accumulation whichever is less w.e.f. 01.04.2026).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026**B) Financial Risk management****Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the company's risk management framework.

The Company through three layers of defence namely policies and procedures, review mechanism and assurance aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit committee of the Board with top management oversee the formulation and implementation of the risk management policies. The risk are identified at business unit level and mitigation plan are identified, deliberated and reviewed at appropriate forums.

The Company has exposure to the following risks arising from financial instruments:

- **credit risk (see(i));**
- **liquidity risk (see(ii); and**
- **market risk (see(iii)).**

i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, Loan and investments.

a) The carrying amount of financial assets represents the maximum credit risk as on reporting date**Trade receivables and other financial assets**

The Company has established a credit policy under which new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

b) Provision for Expected credit loss:**(i) Financial assets for which loss allowance is measured using 12 month expected credit losses.**

With regard to all financial assets with contractual cash flows, other than trade receivables, management believes these to be high quality assets with negligible credit risk. The management believes that the parties from which these financial assets are recoverable, have strong capacity to meet the obligations and where the risk of default is negligible and accordingly no provision for excepted loss has been provided on these financial assets.

(ii) Financial assets for which loss allowance is measured using life time expected credit losses

The Company provides loss allowance on trade receivables using life time expected credit loss and as per simplified approach.

Based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the credit risk for trade receivables is considered low. The Company estimates its allowance for trade receivable using lifetime expected credit loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026
c) Ageing of trade receivables

The Ageing of trade receivables is as below:

(Rs in lakhs)

Gross Carrying amount as on 31.03.2025	2346.90	-	-	2346.90
Impairment loss recognised on above	-	-	-	-

ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risk damage to the Company's reputation.

The Company's treasury department is responsible for managing the short-term and long-term liquidity requirements. Short term liquidity situation is reviewed daily by the treasury department. Longer term liquidity position is reviewed on a regular basis by the Company's Board of Directors and appropriate decisions are taken according to the situation.

A reasonable possible strengthening/ weakening of the USD or INR against all other currencies at year end would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

1% increase or decrease in foreign exchanges rates will have the following impact on profit before tax.

Particulars	31.03.2026		31.03.2025	
	1% increase	1% decrease	1% increase	1% decrease
USD	0.0346	(0.0346)	0.0361	(0.0361)

b) **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.
